

CHORUS ONE

CHORUS ONE is the simple plate and at the same time perfect for all environments. It offers a highly modular range that resolves the most varied of installation needs. The technopolymer plates are available in the classic metallic colours and the new pastel colours with fabric effect.

CHORUS LUX

CHORUS LUX is the ideal plate for elegant and sophisticated environments. The chromed frame and soft curves underline the plate's clean and essential lines. The wide range of innovative materials and colours do not limit the choice.

CHORUS ONE INTERNATIONAL

The design and colours of the ONE plate are also available in the version ONE INTERNATIONAL for round and square enclosures. The modular structure offers horizontal and vertical solutions with a centre distance of 57 and 71 mm. The plates, entirely made of technopolymer, are available in the classic and metallic colours, and in the new pastel colours with an opaque effect.
